# PRODUCT OVERVIEW

Creatively is a networking platform for professionals in creative fields. Artists, writers, and designers can upload portfolios and showcase their work using a stylish, minimalist interface.

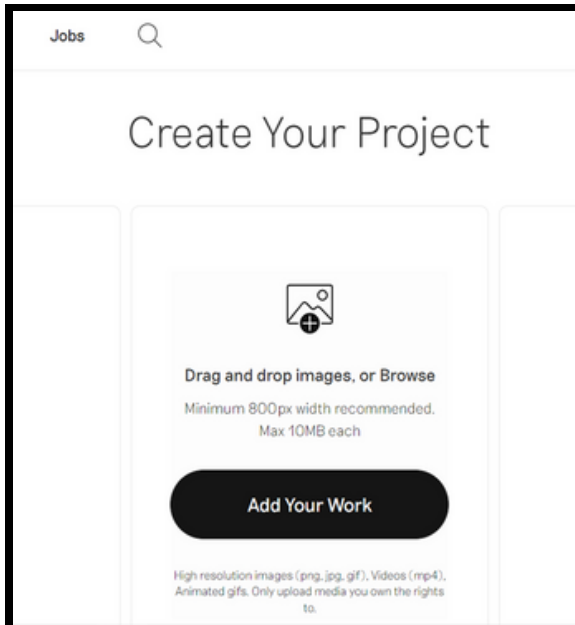

The Creatively app is compatible with:

- iPhone iOS 13.0 or later
- iPod touch iOS 13.0 or later

Employers can post job listings and connect with members skilled in illustration, graphic design, photography, film, animation, and more.

You will be able to search for opportunities based on industry, time commitment, and whether you prefer location-based or remote work. This makes it easier to find a position that fits your needs.

# FEATURES

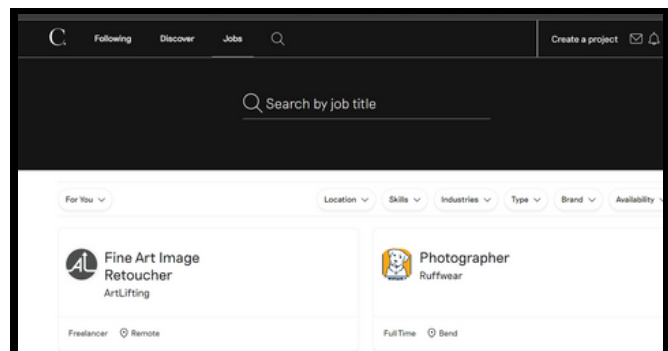

## No. 01 — Create an Online Portfolio

Establish an online portfolio by uploading your work to Creatively.

Tag fellow collaborators and connect with other artists on Creatively by following them.

## No. 02 — Search for a Job

Use the **Jobs** tab to browse dozens of jobs posted by employers looking for creative minds! Use the job filters to find the perfect job for you.

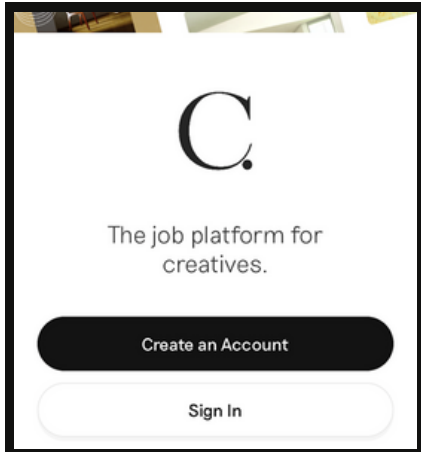

## No. 03 — Showcase Your Work

Submit your work to CreativelyMade for the chance to receive up to \$5000! The top three submissions with the most votes at the end of a week will be entered into a monthly pool. At the end of a month, one winner will be drawn from the pool to win a prize!
